# INDIANA WESELYAN UNIVERSITY

"COMMITTED TO CHANGING THE WORLD BY  
DEVELOPING STUDENTS IN CHARACTER,  
SCHOLARSHIP, AND LEADERSHIP."

**I**ndiana Wesleyan University is an evangelical Christian comprehensive university that is committed to liberal arts and professional education. U.S. News & World Report ranks Indiana Wesleyan University as "one of the best Master's universities in the Midwest."

Over 3,000 students live and learn in state-of-the-art residence halls and academic facilities on IWU's residential campus in Marion, Indiana. More than 80 majors are offered, covering everything from Art to Theology and Ministry. An increasing number of honors students on the residential campus has led to the formation of the John Wesley Honors College.

Another 10,000 adult learners attend classes at regional IWU Education Centers in Indiana, Kentucky and Ohio, as well as through our online degree programs, including associate, bachelor's, and master's degree offerings such as the Master of Education, certificates and electives. The innovative adult education program, which was established in 1985, has received national attention. Indiana Wesleyan University has been Indiana's fastest growing university for the past two years.

The University's total enrollment, which now exceeds 13,000 students, makes IWU the largest private university in Indiana. One result of this growth has been the establishment of the IWU School of Nursing, a premier nursing school in its own right. In 2009, IWU introduced Wesley Seminary and in September 2013, the new Wesley Seminary Building was opened on the IWU Campus.

Indiana Wesleyan University stands ready, with the resources and the passion, to equip future generations of learners with the skills they will need to meet the challenges of our rapidly changing world.

# ATHLETIC DIRECTOR

## MARK DEMICHAEL | DIRECTOR OF ATHLETICS

**M**ark DeMichael became Indiana Wesleyan University's first full-time Athletic Director in July 2008. He took over the position after 11 seasons as the Wildcats' head baseball coach and assistant professor in the Health, Kinesiology, Recreation and Sport Studies department. DeMichael has already put his stamp on Wildcat athletics. During his tenure, Indiana Wesleyan has secured a bid to host the NAIA Outdoor Track and Field National Championships and has started an annual Athletic Commissioning Service and the Athletic Scholarship Endowment Fund. The Wildcats reached seven NCCAA World Series during DeMichael's tenure as baseball coach. Indiana Wesleyan earned runner-up in 2008 and garnered third place finishes in 1998, 2003 and 2005.

DeMichael had three student-athletes sign professional contracts with Major League Baseball teams. He was NAIA Region VIII Baseball Chair and a member of the NAIA National Baseball Rules Committee and the NAIA National Tournament Procedures Committee. In the classroom, DeMichael was Program Coordinator for the Physical Education major.

DeMichael came to Indiana Wesleyan from Eastern Nazarene College in Quincy, Massachusetts, from where he graduated in 1988. He was the head baseball coach of the Crusaders for three seasons from 1995-98 and was named Commonwealth Coast Conference Coach of the Year twice. Prior to Eastern Nazarene, DeMichael taught physical education in the San Bernardino, California public school system for six years and was head coach for their highschool baseball team from 1991-95. DeMichael and his wife Kimberly, who is an assistant professor of education at Indiana Wesleyan, have two daughters, Ashley and Kasey.

# MORE THAN A LOCKER ROOM

Caleb Dimmich wore a Wildcat uniform from 1996-1999 and still holds three school records, the most notable being the 11 three point field goals he scored in one game. Caleb scored 1,158 points at IWU before his basketball career was shortened by a fatal farm accident in July of 1999. As impressive as his statistics are, they do not reflect the true legacy that Caleb left at Indiana Wesleyan University. "I Am Third" has become the philosophy of the IWU basketball program. It means putting God first, others second and oneself third in actions and attitude. Caleb exemplified that lifestyle, and it is no coincidence that he also wore #3 on his IWU basketball jersey.

The Wildcat's men's basketball facilities are among the nation's best. The facility features a players lounge, a theme style meeting room, a nutrition center, and a first-class locker room designed to provide the student athletes with the necessary resources to perform at the highest level.

The Wildcat players lounge includes two 60-inch LCD TVs, an Xbox, custom seating as well as an expansive surround sound system that includes a charging dock for the players' iPads. The theatre style meeting room includes custom leather chairs with the IWU logo. This facility allows the Wildcats to go over scouting reports, study film, and have team devotions. The Wildcat locker room will be the heart of the facility. The Caleb Dimmich locker room features 18 custom-built and ventilated lockers, personalized nameplates, three 60 inch LCD TV's, a state of the art refueling station, and the flooring inlaid with the IWU logo.

# LUCKEY ARENA

There is seating for 2,400 spectators in the arena which hosts men's basketball, women's basketball and volleyball teams. There is permanent seating on all four sides of the arena. A large concession area is located in the southwest corner of Luckey.

## PROFILE & BIO

### GREG TONAGEL | HEAD COACH 15TH SEASON

**G**reg Tonagel begins his 15th season at the helm of the Indiana Wesleyan University men's basketball team in 2019-20.

Tonagel and the Wildcats have won three NAIA Division II National Championships in a five-year span with titles in 2014, 2016, and 2018. Indiana Wesleyan won the 2014 red banner in unprecedented fashion as they became the first team to win all five of their games at the national tournament by double digits. In 2016, Indiana Wesleyan defeated the top two seeds in the tournament to claim the title. IWU beat four top-15 teams in 2018 en route to the title, including No. 1 IU East and No. 7 Saint Francis in the championship game, the fourth win over the Cougars during the season.

Tonagel is a three-time NABC/NAIA Division II National Coach of the Year.

In his 14 seasons as head coach, Tonagel has already led Indiana Wesleyan to three national championships, one Final Four, seven Elite Eight finishes, and 10 Crossroads League regular season championships,

including seven straight from 2009-15. Tonagel has four Crossroads League Tournament championships as well with wins in 2010, 2015, 2018, and 2019.

Indiana Wesleyan has finished three seasons as the No. 1-ranked team in NAIA Division II. Tonagel's teams have spent time in the NAIA top-five in each of the last 13 seasons.

In 14 years as head coach, Tonagel is the winningest coach in program history. He has the highest winning percentage (.788), most wins (391), most NAIA national tournament victories (31), most national tournament appearances (12), most Crossroads League regular season championships (10), and most Crossroads League Tournament championships (4).

The former Valparaiso (Ind.) University point guard, known for his hard work and energy, has brought those characteristics to the basketball program. Tonagel was introduced as head men's basketball coach on April 1, 2005. Drawing from experience gained from leading the Valparaiso Crusaders to four NCAA tournament appearances as a starting point guard, along with the tutelage of mentor Homer Drew, Tonagel has helped orchestrate a new era of Wildcat basketball.

Prior to Tonagel's hiring, the Wildcats had won seven games and finished last in the Mid-Central College Conference. The program improved by 10 wins under Tonagel's tutelage in his first year on the bench and reached the NAIA Elite Eight in his second season. Making a name for himself when it comes to program building, Tonagel has done it through sound developmental teaching and high caliber recruiting.

Much of the unprecedented success of the Wildcats can be attributed to the culture Tonagel has built at IWU. The IWU culture is built around two biblically transforming principles; I am Third and Fearless. "It's our core belief that God has created us for greatness when we realize our potential in becoming "third" and "fearless." What I have come to realize is that I don't just coach basketball, I coach people" comments Tonagel. This has helped the influence of IWU basketball to extend far beyond the court. Tonagel and his staff have been committed to using basketball as a platform for discipleship.

Prior to his current position, Tonagel served as Director of Basketball Operations at Valparaiso University, where he played in four NCAA Tournaments. He also led his LaPorte High School team to the last single class state finals in 1997. Greg and his wife, Amy, along with their six children Jace, William, Allie, Riley, Jojo, and Abby reside in Marion. He is active in a number of organizations and causes, most notably his church.

# COACH CLARK

## PROFILE & BIO

### JEFF CLARK | ASST. HEAD COACH 14TH SEASON

**J**eff Clark enters his 14th season on Greg Tonagel's staff at Indiana Wesleyan in 2019-20.

Clark helped lead Indiana Wesleyan to the 2014, 2016, and 2018 NAIA Division II National Championships. Indiana Wesleyan won the 2014 title in historic fashion as IWU became the first team to win all five national tournament games by double digits, capped by a 78-68 victory over Midland (Neb.)

Since joining the staff in the 2006-2007 season, Clark has helped guide the Wildcats to 13 of the most successful seasons in school history. Clark has been on the bench for three national championships, a Final Four, and six Elite Eight runs in the NAIA National Tournament as well as a NCCAA National Championship season. Since he has been on staff, the Wildcats have won nine Crossroads League Championships, the only nine in school history.

Clark has a passion for identifying, cultivating and unleashing potential, which has helped the areas he serves to flourish.

As the offensive coordinator, he has overseen an offense that has led NAIA DII in scoring over the past five seasons. Implementing a system that combines a fearless mentality with an IAM3rd attitude has helped the Wildcats set records on the offensive end. The Wildcats have been in the top five in the nation in total scoring offense and assists in each season between 2014 and 2018.

With a focus on post player development, Clark has mentored NAIA DII 1st, 2nd or 3rd Team All Americans in 9 of the past 10 seasons.

As the recruiting coordinator, Clark has been named the Indiana Basketball News top NAIA Assistant four times. In the last six years alone, the Wildcats have secured 7 NCAA D1 transfers and 4 Indiana All-Stars.

Prior to joining the Wildcat coaching staff, Clark had a four-year basketball career at Anderson (Ind.) University where he was a two-year captain and was twice named to the Academic All-Conference team.

Clark and his wife Tiffany reside in Marion with their children Joshua, Caleb, Luke, and Audrey.

#### What they're saying about Coach Clark

"Having Jeff Clark is like having another head coach on the bench. His strategic game planning has been instrumental in winning conference championships over the years. However, his influence goes far beyond X's and O's. He is a great coach of people. He knows how to lead young men to be the best they can be on and off the court."

-Greg Tonagel

"Jeff Clark is a great guy of character. If he came to recruit me, I would have four words for him: Where do I sign?"

-Ernie Johnson

## DAVID OSBORN | ASSISTANT COACH | 3RD SEASON

**D**avid Osborn enters his 3rd season on Greg Tonagel's staff at Indiana Wesleyan in 2018-19.

In his first two seasons with the Wildcats, Osborn has been a part of back-to-back Crossroads League regular season and conference tournament championships. During the 2018-19 season Osborn helped the Wildcats to a 30-6 record and a run to the Elite 8. In his first year with the Wildcats, Osborn helped the team to a 31-7 record and capped off the season with the programs third National Championship.

While at IWU, Osborn has coached 2 NAIA All-Americans, 4 Crossroads League All-Conference players, 1 All-Defensive team member, and 3 Crossroads League All-Freshman team members. Additionally, Kyle Mangas was named the Crossroads League Player of the Year in each of his first two seasons and the 2018 National Tournament MVP while Joel Okafor was named the 2019 Crossroads League Defensive Player of the Year.

Since joining the IWU coaching staff the Wildcats have landed 2 Division I transfers. Osborn was influential in recruiting Kansas Jayhawk transfer Evan

Maxwell to IWU which led to the signing of younger brother Seth Maxwell. He also helped land graduate transfer Tanner Rubio, who joins the Wildcats for the 2019-20 season after spending his first three seasons at Jacksonville University.

Osborn joined the Wildcat staff after spending two years as the head boys' basketball coach at Wheaton Academy (West Chicago, IL). In his inaugural season, Osborn more than doubled the Warriors win total from the previous season. While leading the Warriors he coached three MSC All-Conference players.

Osborn arrived at Wheaton Academy after two years with General Electric in their Financial Management Program. Osborn earned his M.A. in Organizational Leadership at Clarks Summit University. At CSU, he was a starter on the men's basketball team and served as team captain. He finished the season earning the CSAC Sportsmanship Award as well as the Most Inspirational Award which is given to the team member who inspires his teammates both on and off the court.

In 2012, Osborn graduated from Indiana University with a degree in Finance from the Kelley School of Business. While at Indiana, he worked as a student manager under head coach Tom Crean for two years.

A Fort Wayne native, Osborn graduated from Homestead High School where he played for Chris Johnson. In his senior season, Osborn was a team captain and received All-Conference honors, leading the Spartans to a share of the NHC title. While in high school, it was PGC Basketball that made a profound impact on his life. Throughout college to now, Osborn has continued to instruct for PGC Basketball. He now serves at a Director for PGC Basketball leading camps nationwide.

# LEAGUE AFFILIATIONS

## NAIA

Throughout its history, the National Association of Intercollegiate Athletics has provided strong leadership for all aspects of intercollegiate sports. Since its introduction of collegiate sports, the NAIA has maintained the highest standards while administering first-rate athletic programs.

With its major emphasis on educational development, it was natural for the NAIA to further strengthen academic eligibility requirements for the mid-1980's. All NAIA student-athlete academic eligibility is monitored on a semester-by-semester basis. The All-American Scholar-Athletic program, a long standing NAIA tradition, recognizes junior and senior student athletes with minimum 3.5 GPA on a 4.0 scale.

Since 1937, the NAIA has administered athletic programs and championships in proper balance with the overall collegiate educational experience. Serving higher education in this manner is a responsibility the NAIA does not take lightly. It is a relationship built on confidence and trust strengthened year after year.

## CROSSROADS LEAGUE

The Conference League, formerly known as the Mid-Central College Conference has the purpose and function to promote intercollegiate athletics in a well-rounded athletic program, maintain high ideals, and promote sportsmanship. Therefore, the Crossroads League encourages the member schools to stress the supporting role of athletics in the total education process and keep athletics in proper perspective.
